5 Brooke Street, Invermay TAS 7248

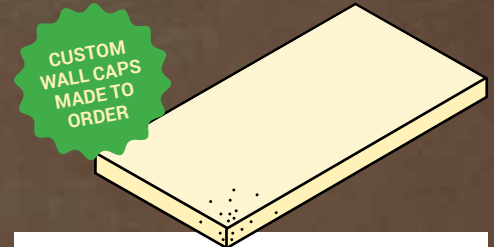

Recreating the stylish appearance of the stones of yesteryear.

Available in a wide range of sandstone colours, our products are ideally suited for use in landscaping and modern or period style architecture in both domestic and commercial applications.

Thunder Stones products are created using a blend of sands, cement and colour, which are dry pressed to create the stylish appearance of the stones of yesteryear.

We can make-to-order custom solutions for you - call us today!
